Information and entry portal for National events such as the Long Course Championships are online at the Swim Wales Website at <https://www.swimwales.org/events/swim-wales-long-course-national-championships>

Closing dates set by the club for meets such as Wrexham cannot be extended, please ensure you have your entries in on time. These dates may be much earlier than closing dates stated in meet entry packs as meets such as Wrexham fill up well before the closing dates. Late entries will not be accepted. Entries must be emailed to

Level 3 & 4 meets are entry level meets and do not require entry times, level 2 and 1 meets require entry times. I advise taking advantage of all Level 3 & 4 meets to gain times for Level 2 and 1 meets. Entry requirements are stated in all meet packs.

Notification when meet packs are available will be by email and our Facebook page. Meet packs and entry forms will be available on our website.
