

Mobile Phone Policy

We understand the need for parents and swimmers to have mobile phones/devices and a blanket ban on mobiles whilst at Club sessions or at galas is impractical, but we insist on the following:

- swimmers are not permitted to take mobile phones or other electronic devices into the changing rooms either before, during or after any Club training sessions;
- no mobile phones are to be used in the changing rooms at any venue by anyone;
- no electronic devices (ipads, ipods, ds consoles, etc) are to be used in the changing rooms at any venue by anyone.

Swimmers found to be using a mobile phone or electronic device in a changing room will have it confiscated and given to a parent/responsible adult.

All incidents will be logged by the Welfare Officer.

The Welfare Officer will keep a note of incidents and talk to a swimmer or their parent if it is felt to be necessary. If these rules are ignored, a parent or swimmer may be banned from attending.

Coaches, volunteers, parents and swimmers must abide by the policy regarding the use of mobile phones and electronic devices of whichever venue they are attending.
